SMARTPHONE SIZING GUIDE

(up to 3.75" wide)

If your phone (in it's case) fits in "portrait" orientation between the 2 arrows, it will fit the HookUpz™ 2.0 Adapter

OPTIC SIZING GUIDE

* For larger optics, see #3 below

OPTIC SIZING INSTRUCTIONS:

1. Place your optic's eyepiece inside one of the two circles above.
2. If your optic's eyepiece fits in between the 25 mm to 58 mm circles, then the Hookupz 2.0 will fit your optic!

* 3. For eyepieces up to 60 mm, push firmly to secure.

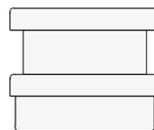

INCOMPATIBLE OPTICS
