**LTE  
starts at  
\$4  
per  
month**

**T**racks is Cuddeback's newest LTE trail camera. And its not a stripped down foreign designed import. Tracks is a full featured LTE trail camera with fast trigger speed, exceptional image quality and rugged construction. Tracks and the accompanying mobile app are 100% designed and developed by Cuddeback.

- Dual paddle antennas for coverage in fringe areas.
- Dual SIM cards installed for Verizon and AT&T carriers.
- Works with all cell phones regardless of your carrier.
- Mobile app developed by Cuddeback so your images and data always reside on USA servers.
- Up to 1 year battery life with low cost alkaline batteries (lithium batteries not required).
- Available in no-glow Black Flash® and low-glow IR.

#### DATA PLANS

- Pay as you go. \$4 per month paid annually plus \$10 per 1000 images that never expire, so you always get what you pay for and only pay for what you use.
- \$5 per month for 250 images or \$50 annually.
- \$8 per month for 500 monthly images or \$80 annually.
- \$13 per month for unlimited monthly images or \$130 annually.
