

### BLACKHEART SAAK

Semi-Automatic AK

part number **BFV762-B10W**

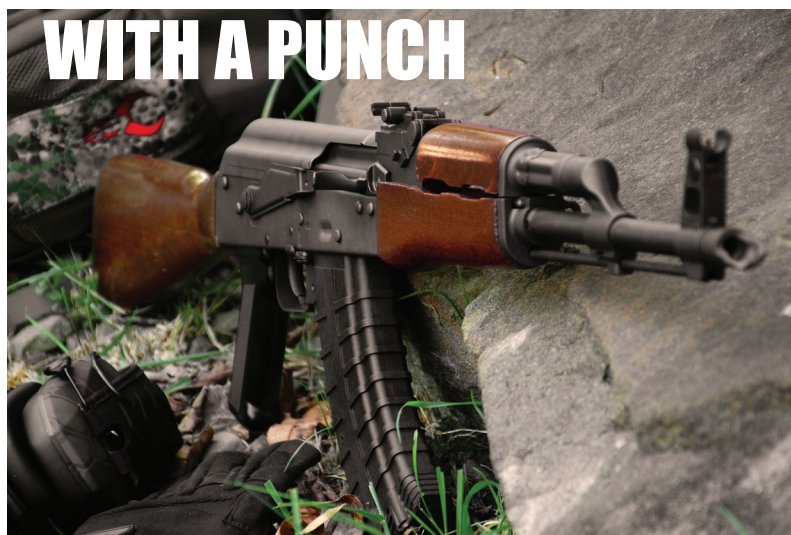

## CLASSIC DESIGN

Built from all-new US- and Romanian-made OEM components (not de-milled surplus) to satisfy 922R compliance, the **BLACKHEART B10W** is a semi-automatic variant of the Romanian AKM rifle. The US-made receiver combines with a premium 16.25-inch chrome-lined US-made barrel to deliver the highest quality AKM variant currently available. The solid beech hardwood furniture and sleek military Parkerized finish not only look great but also stand up to the rigors of the range and field.

## WITH A PUNCH

7.62x39mm semi-automatic rifle
