SALES REPRESENTATIVES Back Cover

The Grind is a core brand of the Rock Ridge Outdoors family of products.

The Grind is more than just making a turkey call. The Grind is our passion, our life. Years of learning to hunt, making mistakes and applying hunting knowledge takes us to the lowest of lows and the highest of highs when getting that gobbler.

The hunting fellowship drives The Grind Team to make the best products we can. We assure you our products are built with quality and most of all - with passion.

Never Stop 'til the Bird Drops!

The REAPER Quarter Body Strutter

New

- Quarter strutter design is easy to hold when using the reaping technique
- Detachable full fan for aggressive fanning

- Ever lose a striker? Always carry a spare!

New

MSRP \$19.99 TG8895

The COOKER Pot & Peg Slate Call

Years ago, turkey hunters relied on their ole corn cob and chunk of slate call. The Cooker Pot & Peg slate call has been designed with an inner sounding board that reflects great sounding tones and calls. The Cooker Pot slate is easy to change the volume from soft tree yelps to loud, excited cutting that gets ole Tom fired up!

- Custom-crafted, laminated walnut and maple woods make this call super strong and durable
- Slate top and inner glass sounding board is the perfect combination for realistic turkey sounds
- Maple top with a hickory peg is matched to the slate for soft or long-range calls
- Custom combo makes the softest calls for up-close gobblers or loud sharp cuts to get 'em fired up

MSRP \$39.99 TG8550

The PUSHER Easy Button Friction Call

The Pusher Easy Button call is one of the easiest to master and best-sounding friction calls. Kids or novice hunters can have the rhythm and real sound of a hen turkey in just minutes. Use your index finger and push the peg! It's that simple.

- Hand crafted from walnut
- One handed operation
- Just push the peg for great sounding yelps and clucks
- Sound like a pro in minutes
- Maintenance free

MSRP \$19.99 TG8567
