

ARCTIC  **SHIELD**[®]
STAY OUT LONGER[™]

A man and a woman are standing in a forest, dressed in full-body camouflage gear. They are holding bows, suggesting they are hunters. The forest has many bare trees and some fallen leaves on the ground, indicating a cool season. The man is on the left, and the woman is on the right. They are both looking towards the camera.

THOSE WHO OUTLAST, OUTHUNT.

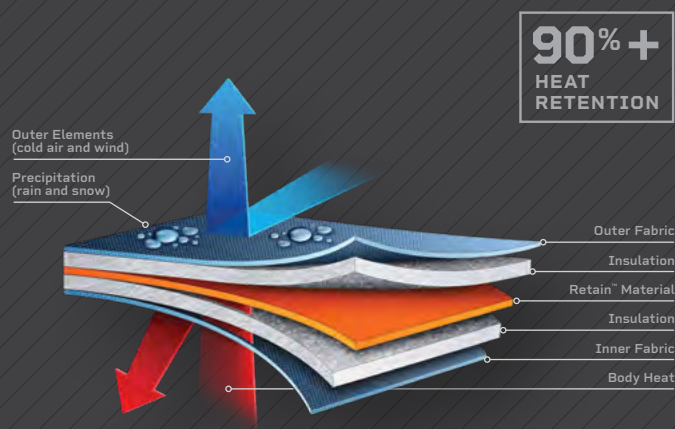

We are defiant of the thermometer. We're sovereign from the state of degrees. We scoff at the mercury when it dips below 0° because a lack of Fahrenheit doesn't bother us. Cold isn't a four-letter word – it's our friend. We exist because people don't want to think about the elements. They want to be in their element. We invite you to join us and discover what we've known all along: ArcticShield® provides the products, the Retain™ and Retain™ Active technologies, for people who see the advantage in staying out longer.

STAY OUT LONGER

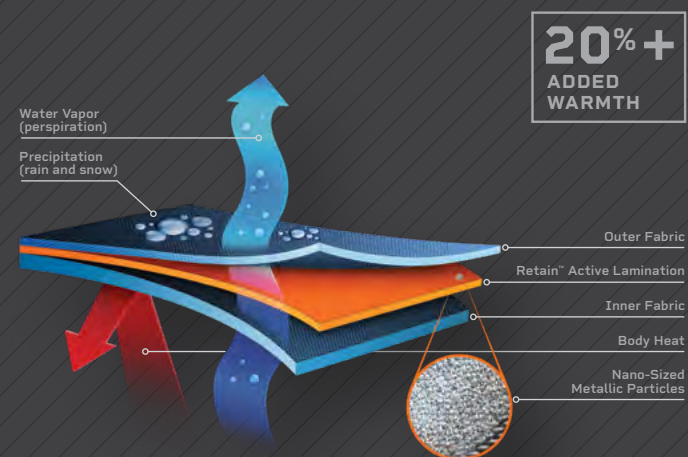

LOCKS HEAT IN

Retain™ technology is an aluminized polypropylene core layer in the fabric system. This thin aluminized layer captures and returns up to 90% of your body heat back to you. Simultaneously, it deflects cold outside air away from the skin to keep sportsmen and women out longer, despite the conditions.

LIGHTWEIGHT & BREATHABLE WARMTH

Retain™ Active technology utilizes nano-sized metallic powder formulated into the apparel laminate. This thin layer of thermal insulation efficiently retains body heat and delivers more than 20% added warmth back to the body. It's breathable and wicks moisture away from the body in various climates.

FOOTWEAR

BOOT INSULATORS / GAITERS

With our Retain™ heat retention technology, these Boot Insulators and Gaiters help you stay out longer in your tree stand or blind. Lightweight, easy to pack and constructed of durable materials, these two legendary products make it easy to defy the wind, water, and thermometer.

BOOT INSULATORS

- Retain™ heat retention technology
- Polyester outer shell and liner
- Windproof • Water resistant
- Lightweight • Packable
- Roll up to fit in your pocket or backpack
- U.S. Patent No. 6,185,845 B1

** If in-between sizes, or if intending to wear over thick, heavily insulated boots, choose the next larger size.*

RETAIN°

GAITERS

- Retain™ heat retention technology
- Durable outer shell material
- Waterproof • Windproof
- Full length heavy-duty zipper
- Full length front padding
- Adjustable top strap
- Adjustable stirrup strap • Lace hook

SIZES AVAILABLE

- LARGE (16" height x 17" bottom opening x 17" top opening)
- X-LARGE (18" height x 18.5" bottom opening x 20" top opening)

BODY INSULATOR SUIT

When the mercury drops and cold winds howl, this Body Insulator Suit says: challenge accepted. It's been designed and constructed with Retain™ heat retention technology to keep you warm and safe. Prepare for the cold, protect your body heat, and stay comfortable while you outlast and outhunt your buddies.

CLASSIC ELITE BODY INSULATOR SUIT

- Retain™ heat retention technology throughout the entire body
- Waterproof, windproof shell – waterproof laminate with taped seams
- Soft, quiet shell fabric
- Detachable hood – snaps on/off
- Safety harness strap pass through slot – allows you to wear a safety harness underneath
- EZ pull zipper tabs – able to pull with gloves on
- Long pull main zipper – easy to get in/out of the suit
- Large armhole zippers – easy to get arms in and out, even with a jacket on
- Internal pockets – open top pockets for easy access to accessories
- Inner shoulder straps – keeps the suit on you if wearing it unzipped
- Boot shaped foot area – accommodates even the largest of boots without being cumbersome
- Rubberized print on the bottom of the foot – provides grip in the blind/stand
- Blaze orange cape – snaps on/off – to meet hunter orange requirements
- Carry harness – easy to roll/pack/carry the suit in and out

The Heat Echo Loft has been proven to be durable, windproof, and breathable during an all-day hunt in fluctuating weather conditions.

HEAT ECHO LOFT JACKET AND VEST

- Retain™ Active breathable heat retention technology
- Durable polyester outer shell
- Water resistant
- Windproof
- Breathable
- Lightweight
- Insulated collar
- Inner storm flap with chin guard
- Zippered chest pockets
- Zippered hand warmer pockets
- Adjustable drawcord waist

JACKET FEATURES:

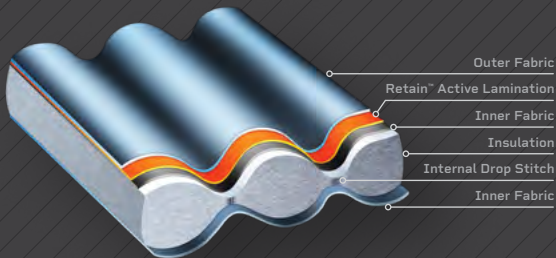

- 150g synthetic loft insulation
- Elastic wrist cuff

VEST FEATURES:

- 100g synthetic loft insulation

RETAIN® ACTIVE

Our Loft Series use a stitchless manufacturing process which excludes the use of needle holes puncturing the outer fabric. This allows for windproof construction to keep cold air out, but still provides breathability to improve the thermal performance. You will feel warmer for longer periods of time.

ACCESSORIES

SLEEPING BAGS

Constructed of a durable polyester outer shell with water repellent finish to keep moisture out, these spacious sleeping bags feature a polyester synthetic insulation, doubled with Retain™ heat retention technology, to seal in warmth down to approximately 20°F. Easily pack down in a stuff sack for repacking, transport, and storage.

ECHO “MUMMY” SLEEPING BAG

- Durable polyester outer shell with water repellent finish to keep moisture out
- Lining has polyester synthetic insulation doubled with Retain™ heat retention technology to seal in warmth down to approximately 20°F
- Two-way anti-snag main zipper to provide venting, and allow to open to a full blanket
- Chest and zipper baffles to seal out the cold air, and offer better thermal efficiency
- Contoured hood with adjustable closure to seal in heat
- Internal accessory pocket - ideal for cell phone or small accessories
- Compression stuff sack for easy repacking, transport, and storage
- Folds down to a low profile in stuff sack – Large: 19” x 13”; X-Large: 20” x 13”
- Weighs less than 7 lbs.

KENNEL COVERS

ArcticShield kennel covers are ideal for anyone who owns a dog in cold climates, because a warm, dry hunting dog is naturally going to perform better in the field. For dog owners in warmer climates, we also offer uninsulated covers.

INSULATED KENNEL COVER

- Retain™ heat retention technology
- Insulated durable 600D polyester w/ backing
- Protects from wind, rain, snow and the cold
- Water resistant
- Wind resistant
- Zippered, vented side windows and zippered main door roll up and secure with toggles/elastic loops
- Open bottom design for easy on/off

RETAIN®

KENNEL COVER

- Uninsulated durable 500D polyester w/ backing
- Water resistant
- Wind resistant
- Two zippered, vented side windows
 - roll up and secure with toggles/elastic loops
- Zippered main door
 - roll up and secure with toggles/elastic loops
- Open bottom design for easy on/off
- Two buckled/adjustable straps on bottom
- Elastic bottom hem
- Interior buckled/adjustable strap above door

ONYX FLOTATION

INFLATABLE LIFE JACKETS

Our U.S. Coast Guard approved Onyx Inflation Life Jackets provide the comfort, safety, and peace of mind you want. Great for waterfowl hunting since they are low profile, not bulky, and very comfortable to wear. They won't get in the way when throwing or retrieving decoys, or carrying your shotgun.

ONYX MANUAL INFLATABLE LIFE JACKETS

- Manually inflates when the wearer pulls the "Jerk To Inflate" handle
- Equipped with back-up oral inflation
- Durable nylon outer shell
- Fits adults over 80 lbs.
- Not approved for children under 16 years of age
- Not recommended for weak or non-swimmers
- U.S. Coast Guard approved
- Use appropriate Onyx Rearming Kits

**U.S. COAST GUARD
APPROVED**
