- **NEVER** use candles, matches or open flames of any kind in or near a blind.
- **NEVER** cook in blind.
- **NEVER** allow open flames or other sources of ignition to come in contact with the material of this blind.
- Use extreme caution when using fuel-powered lanterns or heaters inside a blind keeping a safe distance from all blind fabric and use battery operated lanterns whenever possible; unventilated fumes can cause sickness or death.
- **WARNING:** DEATH from asphyxiation may result from use of oxygen depleting heaters.
- **NEVER** refuel lamps or heaters inside a blind.
- **NEVER** smoke in a blind.
- **NEVER** store flammable liquids inside a blind.
- DO NOT leave children unattended in or near the blind.
- This product is intended for outdoor use only.
- Build campfires downwind and several yards away from a blind and be sure to fully extinguish campfires before leaving a campsite or before retiring for the night.
- Do not install in a location that could pose a safety hazard.
- The warnings, cautions, and instructions in this manual cannot cover all possible conditions or situations that could occur. Exercise common sense and caution when installing/using this product.
