

# MULTIPURPOSE UTILITY TANK

**2+ GAL.  
UTILITY SURECAN**

**5 GAL.  
UTILITY SURECAN**

## BUILT FOR VERSATILITY

Our Multipurpose Utility Tank is the most versatile liquid dispensing container on the market! It makes performing daily tasks much easier from watering plants, refilling your windshield wiper fluid, to filling up the dog's water bowl. Other uses include storing and dispensing DEF fluid, vehicle coolant, and washing your hands/dishes while camping. Available in 2+ Gallon & 5 Gallon Capacities.

The possibilities and uses are endless!

### TECHNOLOGY

**DURABLE DESIGN**

Molded with 6 layers making it stronger in order to hold up to the abuse you throw at it.

**ELEMENT PROOF**

Built to last under extreme elements. Tested up to 60 PSI for high heat and -40° below zero

**AIR TIGHT**

Sealed to keep vapors inside the can and not in the environment. It is the greenest red can on the market.
