**WARNING: CHOKING HAZARD** - Contains small parts - keep parts and packaging away from children and pets.

**WARNING:** NEVER stand on, climb or jump off ottoman

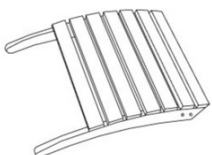

- Read and understand all warnings, cautions, assembly, installation and use instructions prior to assembling, installing or using this product. Failure to follow all warnings, cautions and instructions may result in serious injury or damage to personal property.
- Confirm all parts are present before assembly. If any part is missing, cracked or damaged, please contact Sportsman's Guide customer service before assembly.
- **NEVER** exceed the weight limit of 300 pounds (136 kgs).
- Do not throw away any packaging until assembly is complete.
- Assemble product on a soft surface so as not to scratch or damage the item.
- To allow for slight adjustments, do not over-tighten screws or bolts until the ottoman is fully assembled.
- Once assembled, **ALWAYS** make sure the ottoman is placed on a firm, level surface.
- To avoid injury, periodically check the ottoman and all hardware for signs of wear and possible metal fatigue that may require repair or replacement.
- Also, periodically check all hardware to be sure bolts and nuts are tight.
- Solid wood such as this has knots and cracking which are normal and should be considered an enhancement to the natural beauty of the product.
