OUTDOOR TECHNOLOGIES

We've developed a system of water and wind protection to equip athletes facing any and every wet weather situation imaginable. From drizzle to steady rain to hurricane, we will keep you dry so you can perform better.

STORM

WATER-RESISTANT
Durable water-resistant finish keeps you dry and light.

STORMPROOF

WATER PROOF
A breathable, protective membrane and fully taped seams for 100% waterproof performance.

Outer material
GORE-TEX® Membrane
PACLITE® Product Technology

PACLITE® PRODUCT TECHNOLOGY

GORE-TEX® laminates with PACLITE® product technology are durably waterproof, windproof and very breathable. With a lightweight and packable construction, these garments are ideal for activities when weight and space are critical.

GORE-TEX INFINIUM™ products build on the quality and performance of the original GORE-TEX products and hosts a variety of established and new product technologies that provide you with versatile aspects of comfort and protection.

Material stays dry anywhere on earth. Unique diamond-shaped fiber locks water out keeping the jacket completely dry.

IMPASSE

ISO-CHILL COOLING TECHNOLOGY

UA ISO-CHILL stays cool to the touch and dissipates heat so you can conquer your pursuits through extreme conditions.

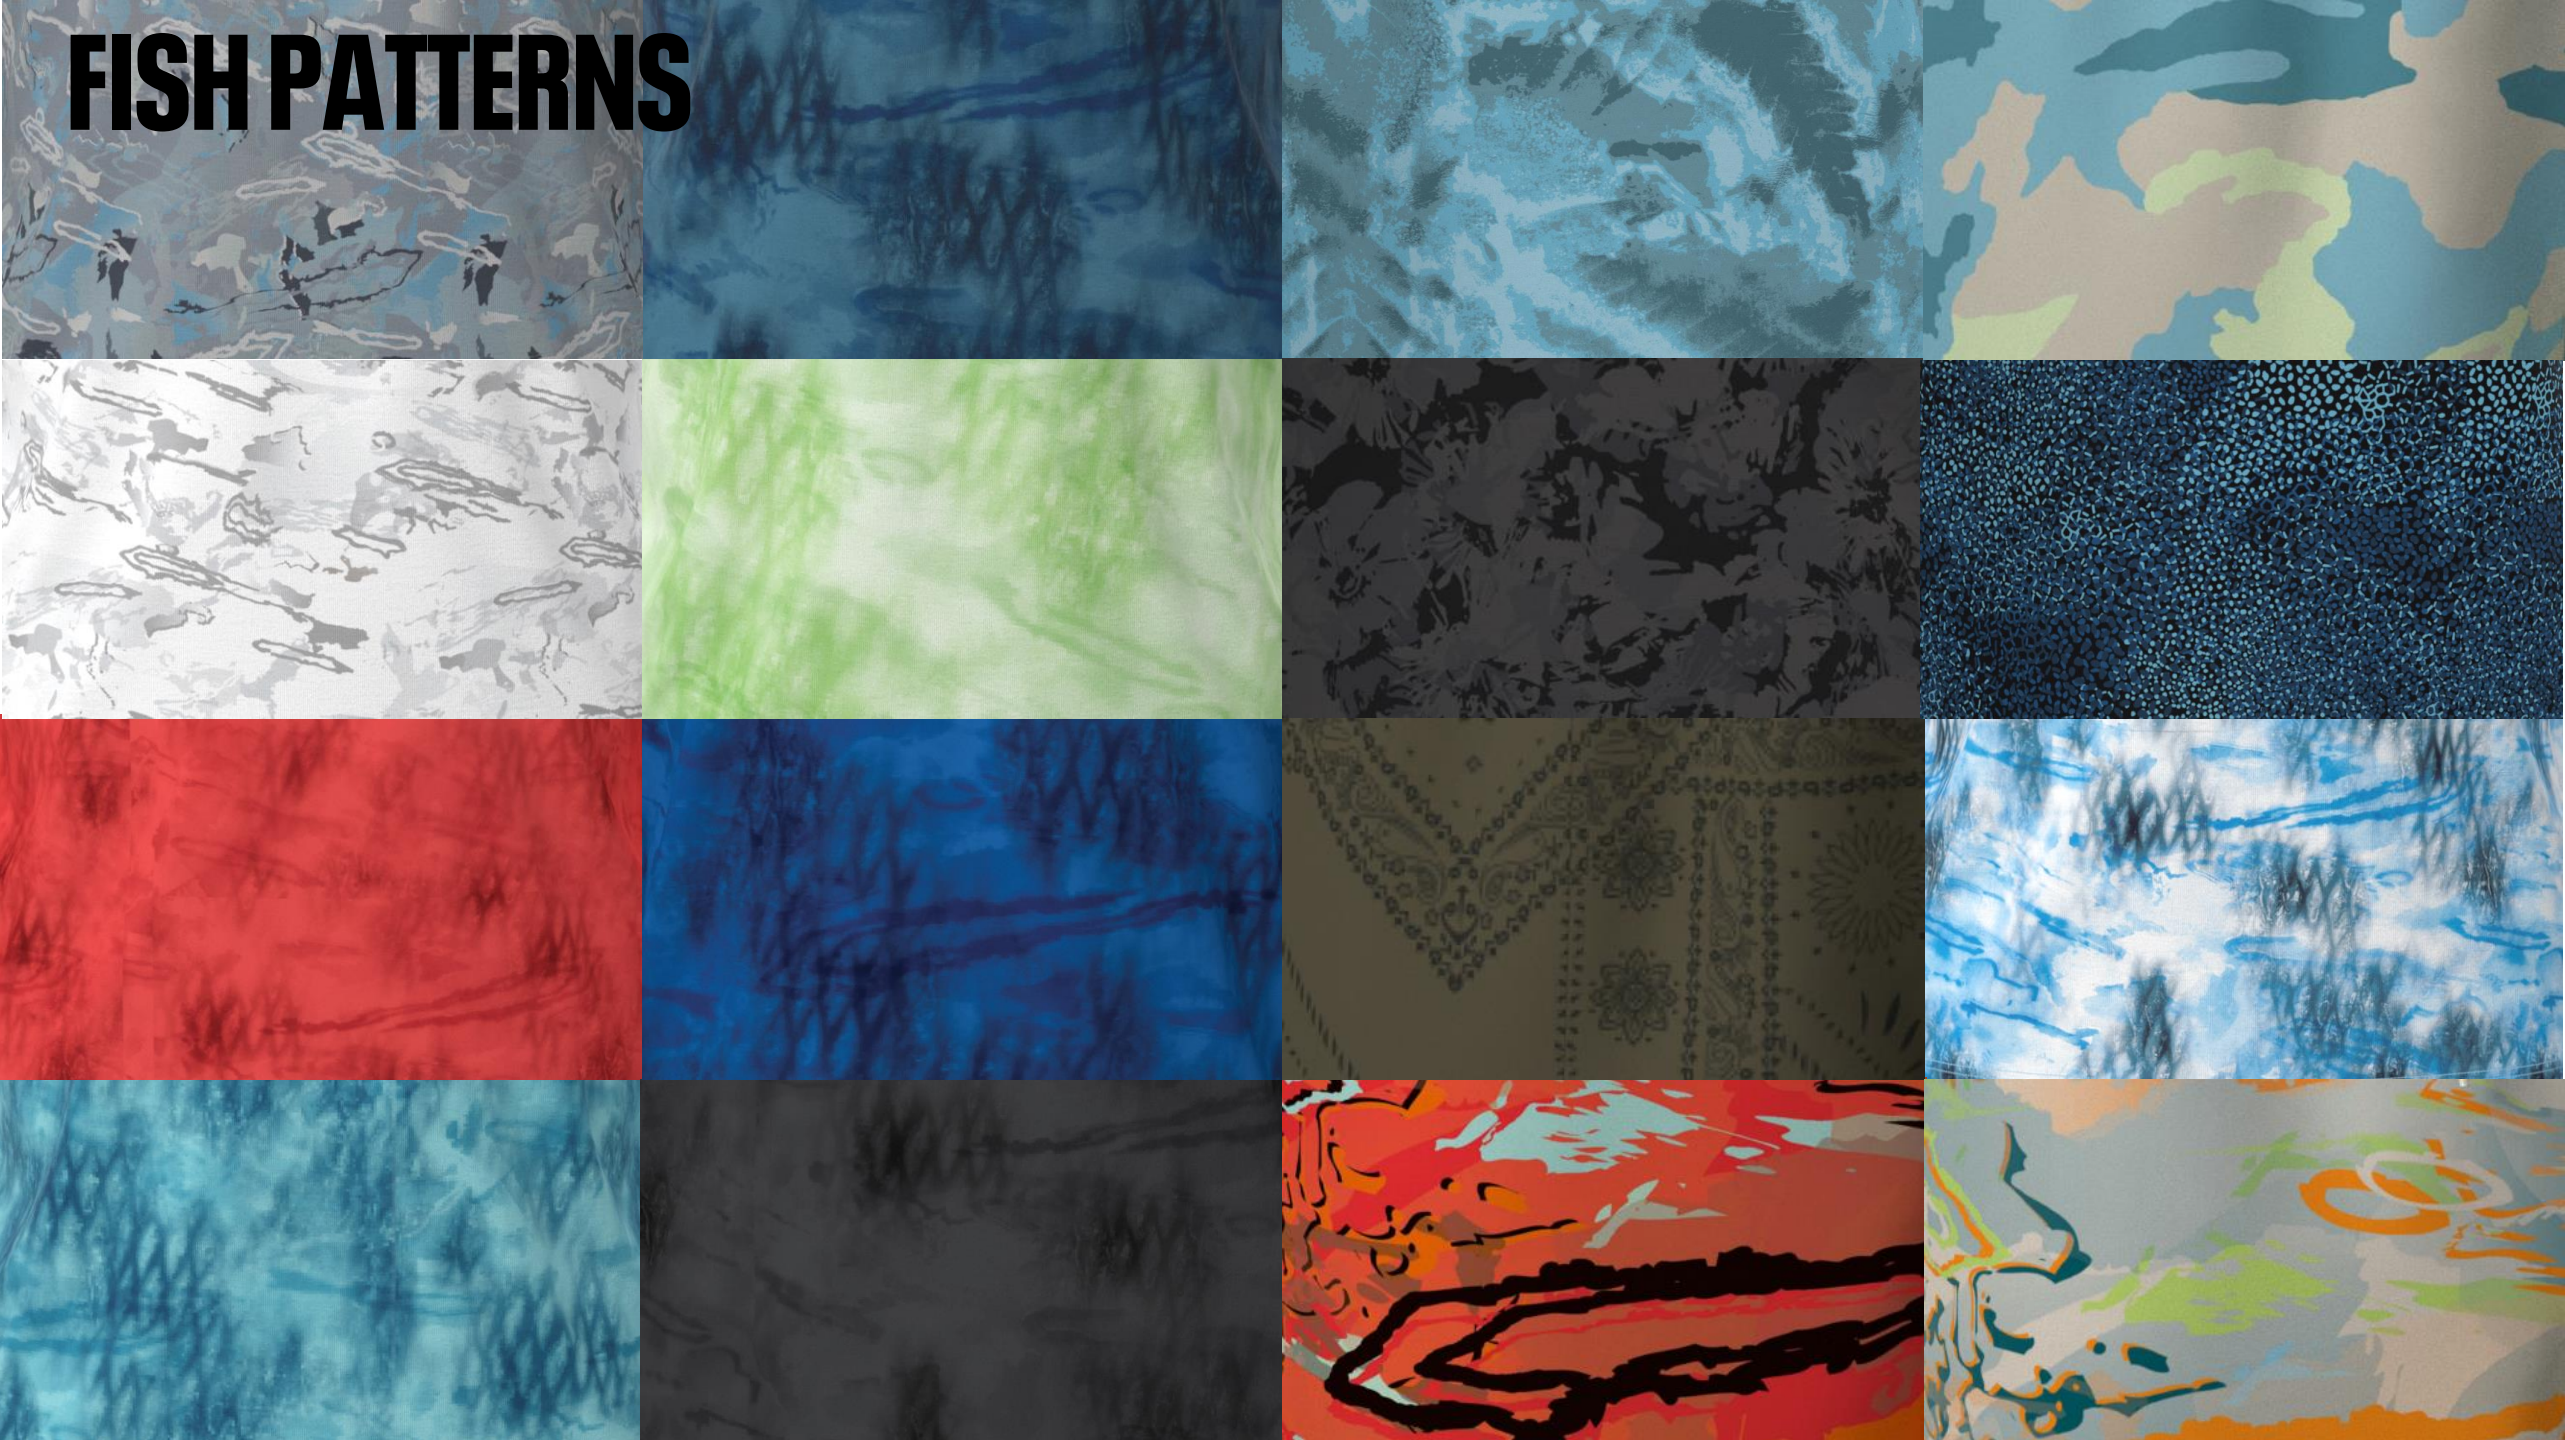

For athletes who need flexibility, cushioning & versatility UA HOVR™ technology provides 'zero gravity feel' to maintain energy return that helps eliminate impact step after step.
