

The Original Cutdown is a modern version of the old school, traditional Arkansas style keyhole cutdown. This single reed call boasts a modified tone board cut down by Spencer Halford, the 2014 Cutdown Classic Champion. The Original Cutdown has tons of volume and rasp, and just enough back pressure for that distinctive sound that duck hunters are looking for. Made of an extremely durable and temperature-resistant polycarbonate, the Original Cutdown delivers a distinctive bark in its calls, making it a perfect addition to your lanyard.
