

1.5L CERAMIC COOK POT

Every Ounce Counts

Our 1.5L FluxRing® Ceramic Cook Pot is a backcountry must for solo or group cooking. The ceramic coating makes amped-up cooking easy and a quick cleanup even easier, while the Jetboil's patented FluxRing® Technology provides ultra-quick boiling times so you can chow down on a hot meal that much faster. Say farewell to that last bit of dinner sticking to the bottom of your pot and hello to savoring.

CRCPT15

Pot support must be used when cooking on compatible Jetboil systems. (Sold Separately)

SPECIFICATIONS

Weight	10.8 oz (306 g)
Volume	51 oz. (1.5 kg)
Dimensions	6.3" x 4.8" diameter packed (160mm x 122mm)

FEATURES
