	4.5" x 7.2" (115 mm x 185 mm) for SUMO

## FEATURES

- Resistant silicone ring provides secure fit to eliminate cowboy coffee by keeping excess grounds from escaping during plunging process
- Durable, high-temperature plastic and micro-filter reduces sediment in the pot and provides smooth, rich flavor
- Brew the best coffee at breakfast or use the basket to steam fresh fish or vegetables at dinner
- The stem and basket detach to stow easily in the bottom cup
