

Griddle

Cooking

NEW

NEW FOR 2022!

SERVE UP DELICIOUS MEALS AT THE CAMPSITE ON YOUR EXISTING GRILL OR CAMP STOVE.

The non-stick ceramic surface makes it easy to cook — and clean up — the ultimate campsite bacon and eggs.

Designed for capatibility with Eureka Ignite Camp Stoves, SPRK Camp Stoves, SPRK Camp Grill and leading competitors for an easily customizable kitchen setup.

Protective cover doubles as a cutting board for efficient packing and gear storage.

Four feet lock griddle into place on Eureka! stoves and grills for a secure fit that prevents sliding or falling off.

Lightweight aluminum material heats up quickly and evenly and cools down in minutes.

Griddle cover

Griddle shown on
SPRK Stove (sold separately).

Griddle

Cooking Area:	8" x 10" (20cm x 26cm)
Weight:	1.7 lbs. (771 g) <i>not including cover</i>
