

BX[®]-4 PRO GUIDE[®] HD GEN 2

The BX-4 Pro Guide HD Gen 2 is an upgrade in both form and function. This latest version of our best-selling binocular uses high-quality glass and improved lens coatings to deliver the resolution, clarity, and glare reduction diehard hunters and shooters demand—no matter the time of day, you'll be able to conquer the challenges of harsh light and bright reflections. Along with its outstanding optical system, the BX-4 Pro Guide HD Gen 2 includes swappable Form-Fit eyecups that'll keep your eyes fresh through hours of hillside glassing.

KEY BENEFITS

Leupold's Elite Optical System delivers the light transmission, glare reduction, and resolution diehard hunters and shooters demand

Delivers incredible ruggedness with a lightweight aluminum body

Provides a custom viewing experience with swappable Form-Fit eyecups

Provides comfortable hand placement with an open-bridge, slim-hinge design

Delivers crystal-clear images with precision focus adjustments

Mounts easily with 1/4-20 threaded tripod adapter

Sheds dirt and water for clear, crisp images with Guard-ion lens coating

Superior ruggedness is tested for extreme climates

Waterproof, fogproof, and guaranteed to perform for life
