

Field Tuff FTF-48C3PT 48" 3 pt Cultivator

The Field Tuff FTF-48C3PT 48", 3-point Cultivator is the perfect tool for cultivating your soil. This tool has a wide working width of 48" to allow for fast and efficient work. The 7 heavy-duty shovels measure 7.6" x 1.36" each and effectively cut through your soil for ideal cultivation. The sharp shovels are adjustable and reversible to make the most of your cultivating. Field Tuff's Cultivator features sturdy, s-shaped shanks constructed of resilient heat-treated, spring steel designed to absorb the digging of the shovels. Constructed of heavy-duty steel with a powder-coat finish, this Field Tuff Cultivator is durable and reliable and will even resist corrosion to last even longer. Easily attach and use this hassle-free product with your Category 1 tractors. This product measures 76.38" x 28.35" x 32.68" overall and is ideal for cultivating rows or digging entire fields to prepare your seedbeds. Perfect for fields, large gardens, and food plots.
