

Field Tuff FTF-783PTLDT 3PT Drag

Field Tuff brings you the 78" Driveway Drag, a drag harrow that covers 78" of ground to make all of your leveling jobs easier. This 3-Point drag is great for leveling driveways, yards, parking lots, fields, food plots, and much more! The Field Tuff 3PT Drag measures 42.7" x 79" x 23.6". It features a front bar with fixed, hardened teeth, which is replaceable. Yard Tuff's drag easily attaches Category 1 tractors, make dragging a breeze and the tow chain with ring allows you to make sharp turns so that you can work in tight areas. Uniquely designed with support angles, this drag can hold extra weight for added leverage and depth. Constructed of heavy-duty, 2 ½" x 2 ½" steel for a durable and long lasting product. The powder-coat paint finish allows it to resist rust and corrosion. 1 year limited manufacturer's parts warranty.
