

## **Field Tuff FTF-72PSR3PT 72" Pine Straw Rake, 3-Point**

Field Tuff's FTF-72PSR3PT 72" 3-Point Pine Straw Rake covers a working width of 72" to help you cover a lot of ground at once. The rake contains 28, 0.33" spring steel tines for optimal performance, durability, and reliability. It attaches directly to your category 1, 3-point hitch for convenient use. Designed with coiled springs for better spring action. Constructed of durable steel with a powder-coat paint finish to resist corrosion, this rake is long-lasting. Quickly and effectively rake pine needles/straw, leaves, grass, and debris with the Pine Straw Rake. 1 year limited manufacturer's parts warranty.
