

Field Tuff FTF-483PTS 48” 3pt Seeder

Field Tuff brings you an easy way to seed your field, lawn, garden, or food plot with the 48” FTF-483PTS seeder. This seeder fits category 1 hitches and has 8 rows and 48” wide working width to make your planting go faster. The rows have a spacing of 6” and a sowing depth of $\frac{3}{4}$ ” - 2” to optimize your seed. The adjustable slots allow you to specify the opening for your unique needs – giving you the greatest chance for success. This Field Tuff Seeder is ideal for seeding your corn, beans, oats, grass seed, food plot mixes, and so much more. It even gives you the option to seed grain with grass. The two boxes feature closeable sides for each row with a lid to cover the grain/seed in the hopper boxes for peak freshness. 1 year limited manufacturer’s parts warranty
