## HUNTING BOOTS

### REST. LESS.

You know the path to success isn't a straight line. You have to put in the work scouting, prepping and planning –then follow every twist and turn the chase takes. Irish Setter built a boot to do just that: VaprTrek. More durable, more capable and more comfortable, they're ready to knock out every task every time. In fact, Vaprtrek is so lightweight and so versatile, you might just need to remind yourself you can hunt in them, too.

**SCENTBAN™**  
scent control eliminates odors inside the boot

**ULTRADRY™ WATERPROOFING**
