DOA-QBR Reticle

Drop Zone 22 Reticle

Multi-X Reticle

- HD Optical System for maximum light transmission, contrast, and resolution.
- Multi-coated optical system for increased light transmission.
- Keep your glass clear with Bushnell's exclusive EXO Barrier™ lens coating that repels water, oil, dust, and debris.
- IPX7 Waterproof, and Fog-Proof construction.
- Nitrogen purged to prevent fogging from the inside even with extreme temperature shifts.
- 1 inch single-piece shockproof tube, constructed of aircraft grade aluminum.
