

## A/T™ ELITE GTX 6"

We've taken our most technologically advanced duty boot and enhanced it with a GORE-TEX® waterproof breathable membrane for proven, industry-best performance. The A/T™ Elite GTX 6" is built with a full grain leather and high abrasion mesh upper with 3D welded construction. Ultralight and ultra durable. Stacked on top of our A/T footbed platform for comfort and lasting load-bearing support, the boot wears a 5.11® x Vibram® full rubber ASTM rated outsole for slip- and oil-resistance. Built for the elite, gear up today and be ready for your next mission.
