

ROUGH, TOUGH, AND READY FOR ANYTHING

You won't find a tougher boot than the Edgerton XD (Extreme Duty). These hardworking, long-lasting boots set the bar for durability. From the outsole to the full-leather upper, these boots deliver a range of advanced technologies that ensure superior underfoot comfort, strong protection and rugged performance. All make them a perfect choice for heavy-duty jobs.

ENER G TECHNOLOGY

Strategically placed high-rebound polyurethane brings high-end athletic shoe technology to more practical applications, delivering a recharging burst of energy with every step.

ULTRA DRY

ULTRADRY™

This construction combines a moisture management lining with waterproof components for dry, long-lasting comfort and performance.

ARMATEC™ PROTECTION

This is a protective covering that is incredibly tough and abrasion resistant. Located on the toe and heel of Edgerton XD styles to address high wear areas of the boot.
