

### **Stealth Cam 360 Cam MAX Rechargeable Lithium Battery Cartridge – STC-RVLRLC**

**Short copy:** Designed specifically to maximize the potential and flexibility of every trail Revolver™ and Revolver™ Pro camera you run, regardless of location, the 360 Cam Max Rechargeable Lithium Battery Cartridge, a 5,400 mAh lithium-ion power pack, keeps trail cams operating for longer stretches. 100% rechargeable via the included USB-C charging cable, this cartridge virtually eliminates the need for repeated, wasteful use of disposable AA batteries.

**Long copy:** This season, lean into the coverage, convenience and reliability of alternative power solutions for all of your 360-degree cellular trail cameras from Stealth Cam. Designed specifically to maximize the potential and flexibility of every trail Revolver™ and Revolver™ Pro camera you run, regardless of location, the 360 Cam Max Rechargeable Lithium Battery Cartridge, a 5,400 mAh lithium-ion power pack, keeps trail cams operating for longer stretches, even when the weather turns and winter temps roll in. 100% rechargeable via the included USB-C charging cable, this cartridge virtually eliminates the need for repeated, wasteful use of disposable AA batteries, making it good for both the environment and for keeping extra change in your pockets. And, because at Stealth Cam we know not every environment is necessarily compatible with rechargeable solar options, this alternative power solution means you can rest assured your Revolver setups will remain operational almost anywhere, even in heavily wooded areas where sunlight is in short supply.

- Alternative, rechargeable power supply
- For use exclusively with 360-degree Revolver and Revolver Pro cellular trail cameras
- Rechargeable 12-volt/5,400 mAh lithium-ion battery cartridge prolongs battery life, keeping cams operational for longer periods
- Replaces the need for frequent trips afield to change out batteries
- Ideal for cameras in any location, any time of year, even where sunlight is in short supply
- Easily withstands extreme temperature swings and adverse weather conditions
- Included USB-C charging cable
- Integrated status LED
